The Ground Up And Earn
Accreditation.**

About The Program

This three-day program provides you with all you need to create an LGBT Law Enforcement Community Liaison Program. You will learn how to create and deliver LGBT awareness training, the role of the liaison in hate crimes investigations, and how to build a sustainable liaison program.

Day 3 includes an historical walking tour of the Castro neighborhood and panel discussion.

This program provides resources to build and expand relationships between law enforcement agencies and the LGBTQ community.

California participants can earn 16 hours of California POST CPT credit.
